

Ferreting

Apparatjik

In a train that goes really fast
Overtaking those trees at last
But we don't care about that
We are not scared of it
Maybe I'll see you again
Maybe I'll trust in a friend

(Time falls down too)
I'll wait until there's you
(Time falls down too)
I'll wait until there's you

(Ooh...)

From a plane that flies really high
I can see the stars fill the sky
But we don't care about that
We are not scared of it
Maybe I'll see you again
Maybe I'll trust in a friend

(Time falls down too)
I'll wait until there's you
(Time falls down too)
I'll wait until there's you

(Ooh...)
