

# The Same As Me

April Sixth

You wanna know, what's driven me down, to the bottom of this pit.

Well, I took my time in dealing with your love.

And all the pain I tried to forget. Well it hurts to say that.

I'm afraid.

From the grave I made, now you push me in,  
and you're leaving me to die.

Well, you are the same as me.

Don't tell me it's over, it's over.

Well, I took a chance, and drifted back into your world.

All the memories we made, the wonders that we shared.

The night we gave it all away.

Well, it's sad to say.

I'm suicidal

I will never try to hide this way you look at me.

Take it back against the will inspired to die myself again!

YEAH!

'Cause you are the same as me!

Yeah!

'Cause you are the same...
