

# All Over Town

April Wine

Someone said you was, runnin' 'round  
Like you owned the world  
It's no secret, you're the talk of the town  
You know, the best of the girls

That's right, and now you  
Walk right out of my heart  
You know it's all over town  
I said you walked-walked, right-right, out of my heart  
You know it's all over town  
Now it's all over

You're so neat, you're so cute, you're so fine  
You know that everybody wants some action  
They see you comin', and they act like it's cool  
Because they know that somethin's happenin'

That's right, because you  
Walked right out of my heart  
And, now it's all over town  
I said you walked-walked, right-right, out of my heart  
You know the word's goin' 'round  
Now, it's all over, now, it's all over

I don't care (he don't care)  
I don't care

I don't care what they say about us anymore  
I don't care what they wanna do  
Baby, all my heart is for you  
No matter what happens

There's no reason why we still can't be friends  
You know we all need someone we can talk to  
No matter what they say, we both know I'm right  
After all we've been through

And, now you walked right out of my heart  
You know it's all over town  
I said you walked-walked, right-right, out of my heart  
You know the word's goin' 'round  
Now, it's all over  
I said you walked, right out of my heart  
I said you walked (walked), right (right), out of my heart  
You walked right out of my heart  
And, now it's all over town
