

## Bad Side of the Moon

April Wine

It seems as though I've lived my life on the bad side of the moon  
To stir your dregs and sittin' still, without a rustic spoon  
Now come on people, live with me, where the light has never shone  
And the harlots flock like hummingbirds, speaking in a foreign tongue

This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life

It seems as though I've lived my life on the bad side of the moon  
To stir your dregs and sittin' still, without a rustic spoon  
Now come on people, live with me, where the light has never shone  
And the harlots flock like hummingbirds, speaking in a foreign tongue

I'm a light world away from the people who make me stay  
Sittin' on the bad side of the moon

This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life

There ain't no need for watchdogs here to justify our ways  
We lived our lives in manacles, the main cause of our stay  
And exiled here from other worlds, my sentence comes too soon  
Why should I be made to pay, on the bad side of the moon?

I'm a light world away from the people who make me stay  
Sittin' on the bad side of the moon

This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life

This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life

This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life

This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life
