

Comin' Right Down on Top of Me

April Wine

Is the sky really fallin'
Or, does it just seem that way?
Where's my reasons for livin'
Have they all slipped away?

It's comin' right down on top of me
And, gettin' so I can hardly breathe
It's comin' right down on top of me
Just let me be

When something feels good
You can't leave it alone
And, when good luck turns bad
It seems everything is wrong

Baby, it's comin' right down on top of me
It's gettin' so I can hardly breathe
It's comin' right down on top of me
It just won't let me be, won't let me be

The morning won't face the day
And, how does life ever get this way
Won't somebody set me free?
It just won't let me be, won't let me be
Just won't let me be, just won't let me be
It just won't let me be, it just won't let me be
It just won't let me be, set me free
Won't someone set me free? (somebody set me free)
Somebody set me free (set me free, set me free)
It just won't....
It just won't let me be
It just won't let me be
