

## Druthers

April Wine

If I had my druthers mama, you know I'd rather be alone  
I say if I had my druthers mama, I said I'd rather be alone  
And when I wake up in the morning, you know I'd rather you were  
gone  
It's alright mama, just tryin' to have some fun  
It's alright mama, just tryin' to have some fun

I say if I had my druthers mama, I said I'd rather be alone  
I say if I had my druthers mama, you know I'd rather be alone  
And when I wake up in the morning, you know I'd rather you were  
gone  
It's alright mama, just tryin' to have some fun  
It's alright mama, just tryin' to have some fun  
It's alright mama, just tryin' to have some fun  
Alright mama, just tryin' to have some fun
