

## Enough is Enough

April Wine

Always so keen in a big black fleur-de-lis  
Had too much competition in a limousine  
Everybody got to him and he finally had to make a show  
And, no-one could believe him, and he still doesn't know

Girl, you fill me up, until I've had enough  
Girl, you fill me up, can't you see that  
You're my girl and enough is enough  
Baby, you're my girl and enough is enough

So, we went down through the streets and we never even saw a fight  
We had one look corner to corner, and we called it a night  
So, I said we best get ready, 'cause we really didn't wanna phone  
He said, "I must be some kind of fool, girl, are you puttin' me on?"

You fill me up, until I get enough  
Oh, girl, you fill me up! Can't you see that?  
You're my girl, and enough is enough  
Baby, you're my girl, and enough is enough

Oh, girl, you fill me up, until I've had enough  
Oh, girl, you fill me up! Can't you see that?  
You're my girl, and enough is enough  
Baby, you're my girl, and enough is enough

You're my girl, and enough is enough  
Baby, you're my girl, and enough is enough

So, we went on through the gate and it sure enough caused a scene  
He said, "One chance to make it on the silver screen"  
So, we worked all day and night, tryin' to make it to the four-state line  
He said, "Baby, you can stay tomorrow, we can have us a time"

Oh, girl, you fill me up, until I've had enough  
Oh, girl, you fill me up! Can't you see that?  
You're my girl, and enough is enough  
Baby, you're my girl, and enough is enough  
You're my girl, enough is enough  
Baby, you're my girl, and enough is enough
