

Flow River Flow

April Wine

You know I'd spend my life with you
Share all the dreams I have with you
Do you wanna see my cry
Do you wanna see me die, do you

I find it hard to face the day
I find a bar and dream I'll pay
Do you wanna see my cry
Do you wanna see me die, do you

Flow river flow, and carry me home
Flow river flow, and carry me home

You know I'd spend my life with you
Share all the dreams I have with you
Do you wanna see my cry
Do you wanna see me die, do you

Flow river flow, and carry me home
Flow river flow, and carry me home
