## I'd Rather be Strong

It's a sad situation Alot of hopeless information On the news Nothin's gonna please you And nothin's gonna change Well that's your view So many hungry people It's a shame and is it legal? Well it's a sight There's something goin' on Somethin' we can change And it's our right

So I'd rather be strong In a hopeless situation, yes I would rather be strong In a hopeless situation, yes I would rather be strong In a hopeless situation Yes I would, yes I would

Well you can say it's a shame And things remain the same And so it goes But no one's gonna hear you And no one's gonna see What doesn't show It'd be cause for celebration If only every nation understood And helping one another And doing for the other, what they could

And I'd rather be strong In a hopeless situation, yes I would rather be strong And to show determination, yes I would rather be strong In a hopeless situation

Yes I would, yes I would I'd be a lot better off if I could Be part of the love That's seemingly lost from above

A delicate situation (situation) Requires contemplation, everyone (everyone) And someone has to care (someone to care) When people live in fear of each man's son (each man's son)

So I'd rather be strong In a hopeless situation Yes, I would rather be strong In a hopeless situation Yes, I would rather be strong In a hopeless situation

Yes, I would, yes, I would
