

(Mama) It's True

April Wine

Hey man, it's all rock 'n' roll
I like the feel, and it's good for my soul
Then you're tellin' me you're burnin' inside
And then you took me for a ride

I don't wanna tell you again
You're runnin' round, and I know where you've been
I'm tellin' you, I'm not satisfied
When you tease me with your lies
I say mama you know it's true
And I'm so in love with you
Come around, callin' me down
Say mama you know it's true

Hey baby, it's all rock 'n' roll

I like the feel, and it's good for my soul
I'm tellin' you, I'm doin' what I can
I'm tellin' you that I'm your man
I said mama you know it's true
And I'm so in love with you
You come around, callin' me down
I say mama you know it's true

You're tellin' me you're gonna be by my side
Now I see that you won't cause you lied
Hey babe, you know it's a shame
I'm gettin' tired of all your games
I say mama you know it's true
And I'm so in love with you
You come around, callin' me down
Say mama you know it's true
