

## Mama Laye

April Wine

In a foreign land beneath a foreign sky  
They speak of Mama Laye  
They don't believe she died  
The people raise their eyes  
They said they'd sing a song  
They ask the spirit world  
Cause they know where she's gone  
She's never far away, Mama Laye, no  
She's never far away, Mama Laye, no, no no

They say she never sleeps  
She never close her eyes  
She speaks the magic tongue  
She's slowly hypnotized  
She's never far away, Mama Laye, no  
She's never far away, Mama Laye, no, no no  
She's never far away, Mama Laye, no  
She's never far away, Mama Laye, Mama Laye

They are as grains of sand  
And then they are as one  
They pray to Mama Laye  
The father, mother, son  
They say she's never far away, Mama Laye, no  
She's never far away, Mama Laye, no  
She's never far away, Mama Laye, no, no no  
She's never far away, Mama Laye, Mama Laye  
She's never far away, Mama Laye, no  
She's never far away, Mama Laye, no  
She's never far away, Mama Laye, no, no no  
She's never far away, Mama Laye, Mama Laye
