

## Oowatanite

April Wine

Baby let's move cause you know that the light here  
Really hurts my eyes  
I come from a world where the light is dim  
And the people not so jive  
So fine, you know it's gonna be  
So come on, come on, come on, come on baby  
Come on if you want it to be

Oowatanite, everything'll be alright  
Come on, come on, love me tonight  
And I'll be yours till the sun comes up

Ooh baby, you know the time is right  
We are the light of two foreign ships, passing in the night  
So fine, you know it's gonna be  
So come on, come on, come on, come on baby  
Come on if you want it to be

Oowatanite, everything will be alright  
Come on, come on, love me tonight  
And I'll be yours till the sun comes up, again

Oowatanite, everything'll be alright  
Come on, come on, love me tonight  
And I'll be yours till the sun comes up

Ooh baby, don't hang me on the line  
Life don't wait if you hesitate, come on quit wasting time  
I know, you wonder if it's right  
I just need a straight-  
shootin' woman to get me through the night  
So come on, come on, come on, come on baby  
Come on if you want it to be

Oowatanite, everything'll be alright  
Come on, come on, love me tonight  
And I'll be yours till the sun comes up, again
