April Wine

I've been thinking about you And I know you think of me too And I only just met you And I really don't know you

I can tell that you like me Does it show that I like you too Cause I only just met you And I really don't know you

Smiling sweetly Sweetly softly So young and free

Take what you need cause there's nothing left Take what you need cause there's nothing left Take what you need cause there's nothing left To see

Now it's 5 a.m. and look at me Dawn is here and I still can not sleep I just lie here writing songs for you Sleep softly while I write these words
