

Tellin' Me Lies

April Wine

Why should I be embarrassed?
Say things I never mean
Worry too much for no reason
Can't last, not the way I'm feelin'

Tellin' me lies, tellin' me lies
Tellin' me lies, tellin' me lies
Tellin' me lies, no alibis

You say you're feelin' restless
I'm sure that's what you said
It's all right, just be on the level
There's no need playin' with my head now (Ooh, yeah!)

Tellin' me lies, tellin' me lies
Tellin' me lies, tellin' me lies
Tellin' me lies, no alibis

Heartaches, always the same story
Heartaches, always the same story
No more sleepless nights alone
Last time, you're gonna lead me on heartaches

Two wrongs don't make it right, girl
Someone has to be true
Come on, tell me how you want it
Just don't treat me like a fool (Ooh, yeah!)

Tellin' me lies, tellin' me lies
Tellin' me lies, tellin' me lies
Tellin' me lies, no alibis
Tellin' me lies
Tellin' me lies
Tellin' me lies, tellin' me lies
Tellin' me lies
Tellin' me lies
Tellin' me lies, no alibis
