

## Wanna Rock

April Wine

Don't wanna move or get outta bed  
That Rock 'n' Roll's going straight through my head  
They say I'm stupid, I really don't care  
Whatever they say, well I say that's fair

All I wanna do is Rock 'n' Roll  
All I wanna do is Rock and Rock some more  
Wanna Rock, wanna Rock  
Wanna Rock, wanna Rock

Don't waste my money drivin' 'round in a car  
Save my money for electric guitars  
Disco music's just a social disease  
If it don't rock me, then it ain't gonna please me

All I wanna do is Rock 'n' Roll  
All I wanna do is Rock and Rock some more  
Wanna Rock, wanna Rock  
Wanna Rock, wanna Rock

Turn up the music, let's have a good time  
Don't pull no punches, lay it right on the line  
New Wave, Old Wave, third wave will do  
It don't matter when I'm dancin' with you

All I wanna do is Rock 'n' Roll  
All I wanna do is Rock and Rock some more  
Wanna Rock, wanna Rock  
Wanna Rock, wanna Rock
