

# Wish I Could Sing

April Wine

If I could serenade you,  
The way that crooners do,  
I sing of hope and trust,  
A melody for you.

And I'd cruise around,  
With the radio on,  
And I'd hold my breath,  
While I hold you in my arms.

I wish I could sing,  
I wish I could sing.

I wouldn't want to lose,  
Your love,  
I wouldn't want to lose,  
The way, I feel for you,

And if my voice could sing,  
What my heart has to say,  
Then you'd be mine forever,  
Forever and a day.

Wish I could sing,  
I wish I could sing.  
To you  
I wish I could sing,  
Wish I could sing.  
To you.

I wanna be the one that holds you,  
I wanna show how much,  
I care for you,  
You know it's true.

I wanna be the one that holds you,  
I wanna show how much,  
I care for you,  
You know it's true.

I wish I could walk that walk,  
The way that lovers do,  
Then I'd stroll the streets,  
Arm in arm with you.

And I sing the sweetest song,  
In perfect harmony,  
And let the music flow,  
'til I'm the only one you see.

I wish I could sing,  
I wish I could sing,  
To you.  
I wish I could sing,  
I wish I could sing,  
To you.

I wish I could sing,  
I wish I could sing,  
I wish I could sing,  
To you.

I wish I could sing,  
To you.
