

# Aquarius

Aqua

Aquarius, was born the night  
The shining stars, needed brighter shining light  
Aquarius, was my savior  
It came along, like a blast from out of sight

When I was weak, you came along  
Enlightened me, covered the sun  
You seduced me, I can never ever run

Cause I, can only lose  
When I'm, Aquarius  
You're the power that I need  
To make it all succeed, can hear me call?

Aquarius, is the stardust  
It kills the faith, and the only one I trust  
It calls your name, and you listen  
It steals your soul, and your hunger and your lust

For life, and being free (it's killing me, it's killing me)  
Its dragging you, it's killing me (it's killing me, it's killing me)  
You seduced me, I can never ever run

Cause I, can only lose  
When I'm, Aquarius  
You're the power that I need  
To make it all succeed, can you hear me call? Can you hear me call?

I wish the stars would turn you in, and leave me standing in the wind  
I wish the devil gave you up, and all the snow would melt and stop

This is it, I can't run away  
You're controlling my life, and I can hear me say

Cause I, can only lose  
When I'm, Aquarius  
Your the power that I need  
To make it all succeed

I wish the stars would turn you in, and leave me standing in the wind  
I wish the devil gave you up, and all the snow would melt and stop
