

## Good Guys

Aqua

You dream a dream  
But you never wake up  
You're so afraid  
That the dream is over

Open your eyes and you'll see  
Daydreaming won't concur me  
Won't concur me, no it won't concur me

Cause only the good guys can get, what they're coming for  
And all of the dreamers must take, what's apart  
Only the good guys receive, what they came here for  
And all of you dreamers, will leave with a broken heart

Reality  
You better face it  
Your blood is red  
One bite, you'll taste it

Open your eyes and you'll see  
Daydreaming won't concur me  
Won't concur me, no it won't concur me

Cause only the good guys can get, what they're coming for  
And all of the dreamers must take, what's apart  
Only the good guys receive, what they came here for  
And all of you dreamers, will leave with a broken heart

Cause only the good guys can get, what they're coming for  
And all of the dreamers must take, what's apart  
Only the good guys receive, what they came here for  
And all of you dreamers, will leave with a broken heart

Only the good guys can get, what they're coming for  
And all of the dreamers must take, what's apart  
Only the good guys receive, what they came here for  
And all of you dreamers, will leave with a broken heart
