

# Can't Get You Out of My Mind

Aqualung

A kiss is not just a kiss  
A smile is more than a smile  
Maybe we get together  
Maybe forever  
Maybe just for a while

I've seen the look in your eye  
I've seen you wondering why  
There's a center of gravity  
Brings you near to me  
Nearer all the time

And I'm petrified, hypnotized  
Every time you walk by  
And I can't get you out of my

Thought you'd never be mine  
I thought I was wasting my time  
Darlin' everyday I think of you  
I can't believe it's true  
That you're here by my side

And I'm petrified, hypnotized  
Every time you walk by  
And I'm hypnotized, petrified  
Every time you walk by  
And I can't get you out of my mind, my mind

I can't get you out of my mind  
I can't get you out of my mind  
Can't get you out of my mind
