

Nowhere

Aqualung

So
Is it over
Time
Would have told you
Piece
By piece
Til the stillness
Echoing

No-one
Nothing
Nothing
No-one
Could make me feel
The way I'm feeling
No-one

Hands
Let me hold you
Eyes
Let me see your face
Smile again
As the world
Goes tumbling

There is
Nowhere
I would rather spend
These lazy crazy days
Then here
Nowhere

mmmmmm.....
baby
