

# Vapour Trail

Aqualung

I was feeling nothing,  
Forever never took so long  
One day, then another  
then another on and on.

All my life,  
All my love is there  
Wish that love,  
Love was all it took to get me home.

Strung out on a line.  
Watch the credit counting down.  
Running out of chances  
Oh, I'm running out of time.

All my life,  
All my love is there  
Wish that love,  
Love was all it took to get me home.

All I needs a moments grace,  
So I just got to see your face,  
That's all.  
Pull my head between my knees,  
The earth might crack,  
The sky might freeze,  
That's all,  
I'm asking for.

Just let me go

One way,  
Or the other,  
I will feel your touch again.  
I got disconnected  
But I still heard everything.

All my life,  
All my love is there  
Wish that love,  
Love was all it took to get me home.  
Get me home.

Who was I to take the risk,  
And watch my hand become two fists,  
That's all I'm asking for  
That's all I'm asking for.

I was in the garden  
Wishing on a vapor trail.  
Pull your arms around me  
Oh you make me happy  
Oh, just let me go  
Just let me go.

Who was I to take the risk,  
And watch two hands become two fists,

That's all  
I'm asking for  
That's all, I'm asking for.  
Just let me go.  
Just let me go.  
Put your arms around me
