

# Skies Of Amazonia

Aquaria

"We have to get in this village,  
It's said that they have what we need  
Take the gold! Kill the tribe! No mercy!  
There is a leader, they say  
It's a birdman no army can capture or kill  
Beware! No mercy!

"I will defend my new mother land day and night  
You shall never fear  
Once in my life I was one of them  
But today, my future is here"

"During this journey we've seen  
What no one would believe  
We have lost half of the crew! It's real!  
Fate was decided much sooner  
Than our decisions we should stop  
Now and leave! It's real!"

"You gave me a chance; I can see the sunlight again  
Now I comprehend  
My time has come, a mission I have to fulfill  
To protect these lands"

"Run away, the strangers came to take  
The fortunes of our tribe  
No mercy in their eyes! No mercy!  
Run away, there's no chance to survive  
We have to save our lives  
Into the woods we hide! No mercy!"

Don't be afraid, they won't change  
The course of our home, no!  
FLY, FLYING HIGH  
I CAN TOUCH THE SKIES OF AMAZONIA  
FOREVER SHINE  
I AM FINALLY FREE  
FLY, FLYING HIGH  
I BELIEVE THE SKIES OF AMAZONIA  
CAN CHANGE MY LIFE  
ONCE I WAS ONE OF THEM, NOW I'M FREE  
FLY, FLYING HIGH  
I CAN TOUCH THE SKIES OF AMAZONIA  
FOREVER SHINE  
I AM FINALLY FREE  
FLY, FLYING HIGH  
I BELIEVE THE SKIES OF AMAZONIA  
CAN CHANGE MY LIFE  
ONCE I WAS ONE OF THEM, NOW I'M FREE
