

# Just The Way I Are

Aqueduct

It's easygoing sarcasm  
Don't get me wrong girl  
My heart is in the right place  
But sometimes it's off course  
This overwhelming feeling  
Has taken over me again,  
My love, don't get me

Wrong about the time  
We took a walk,  
We're holding hands, and I said  
What if we got stuck  
Like this forever  
Wrong about the time  
We took a swim  
I turned to you and said  
I'm drowning in  
Your love, boy are you crazy  
It's not the way I am,  
It's just the way I are

But, darling if we stick together  
And stumble onto buried treasure  
Our hearts will soon  
Become golden monuments  
Of our devotion

Wrong about the time  
We took a bike ride  
Raced you to the westside  
But you got pissed and left me  
Wrong about the time  
We took a hike,  
I said get lost, you said  
Okay again, I'm out of here  
You're crazy boy  
It's not the way I am,  
It's just the way I are
