

## Best Of Us Go Down

Aquilo

So long brothers, I have seen enough  
I have seen it break apart, and tear away the trust  
So long brothers, I have said enough  
I have seen the BEST OF US  
Go down and won't come up  
The BEST OF US, go down and won't come up  
The BEST OF US, go down and won't come up

I should know now  
I have stayed too long, I have seen the best of us  
Fly high and hit the Sun  
So long brothers, I have said too much  
I have seen the BEST OF US  
Go down and won't come up
