

# I Don't Want To See It

Aquilo

I don't want to see it coming closer  
I can't take another word about her  
Send me back to another place  
Show me how I can make this way  
No, I don't really wanna see it  
See it take control of me  
No, I don't really wanna see it  
See you make a fool out of me!

I can tell that this is getting hotter  
My mind's on hold,  
But you're just getting stronger!  
So tell me tell me tell me does it hurt in a different way?  
All this time I've been told nothing  
But I've just passed a day " my way!  
No, I don't really wanna see it  
See it take control of me  
No, I don't really wanna see it  
See you make a fool out of me!

No, I don't really wanna see it  
See it take control of me  
No, I don't really wanna see it  
See you make a fool out of me!
