

You There

Aquilo

You there?
You better off here
You there?
You better off here

Funny it takes no time
Don't fall back down
Funny it takes a time
To get back on
Uuuu-uuu
Uuuu-uuu

You there?
You better off here
You there?
You better off here...

Funny it takes no time
Don't fall back down
Funny it takes a time
To get back on
Uuuu-uuu
Uuuu-uuu

Cover your eyes
Cover your eyes
There's no sun where is
Your direction
Cover your eyes
Cover your eyes
Ask yourself
Where is my reflection?
Cover your eyes
Cover your eyes
There's no sun where is
Your direction
Cover your eyes
Cover your eyes
Ask yourself
Where is my reflection?
