

# Bye Bye Superman

Arabesque

He looked at me  
I could see  
How his eyes were testing  
I knew his name  
And his fame  
How interesting

I've heard so many stories  
So I gave him just one night  
To prove his famous glory  
But t whispered in the morning

Bye bye Superman  
You may come back I don't care when  
Wow wow wow wow  
Any day  
Until the day  
I'm gonna make you stay

Great, it was great  
I'm afraid  
I am not the only one  
But I've seen  
He has been  
So very lonely

'Cause in my arms he told me  
He would like to have a home  
But t should not try to hold him  
So I whispered in the morning

Bye bye Superman  
You may come back I don't care when  
Wow wow wow wow  
Any day  
Until the day  
I'm gonna make you stay

Bye bye  
Bye bye  
Bye bye

Bye bye Superman  
You may come back I don't care when  
Wow wow wow wow  
Any day  
Until the day  
I'm gonna make you stay

I'm gonna make you stay  
I'm gonna moke you stay
