

Dance Dance Dance

Arabesque

Shake a leg
Shake a leg

Why, why do you stand aside
You shouldn't miss the fun
Why don't you try
Sway, your body as I say
And in a little while you feel o'key

Warming up, cooling down
Warming up, cooling down
One-two-three-four-five-six-seven-eyght

Dance, dance, dance
Dancing for your body
Dance, dance, dance
Don't give up until you've got it
Dance, dance, dance
Dancing for your body
Dance, dance, dance
Work it out let everybody dance
Oh what a wonderful chance
To be beautiful
Dance, dance, dance... dance

Shake a leg

Look, no time to read a book
Aerobic dancing has you on the hook
Learn, if you go for the burn
You body's gonna thank you in return

Warming up, cooling down
Warming up, cooling down
One-two-three-four-five-six-seven-eyght

Dance, dance, dance
Dancing for your body
Dance, dance, dance
Don't give up until you've got it
Dance, dance, dance
Dancing for your body
Dance, dance, dance
Work it out let everybody dance
Oh what a wonderful chance
To be beautiful
Dance, dance, dance... dance

Shake a leg
Cross-cross, one-two-three-four
Step-step, clock-clock, fall to the floor
Shake a leg
Contract, one-two-three-four,
Kick, change, kick, change,
In-out, in-out,
Cross-cross, clock-clock, one-two-three-four

Dance, dance, dance
Dancing for you body
Dance, dance, dance
Don't give up until you've got it
Dance, dance, dance
Dancing for your body
Dance, dance, dance
Work it out let everybody

Dance, dance, dance
Ooh-ooh-ooh-ooh
Dance, dance, dance
Don't give up until you've got it
Dance, dance, dance
Ooh-ooh-ooh-ooh
Dance, dance, dance
Work it out let everybody

Dance, dance, dance
Dancing for you body
Dance, dance, dance
Don't give up until you've got it
Dance, dance, dance
Dancing for your body
Dance, dance, dance
Work it out let everybody
