

Broken Angel

Arash

I'm so lonely broken angel
I'm so lonely, listen to my heart

Man dooset daram
Be cheshme man gerye nade
Na nemitoonam
Bedoone to halam bade

I'm so lonely broken angel
I'm so lonely, listen to my heart

One and only broken angel
Come and save me, before I fall apart

To har jaa ke bashi kenaretam
Taa aakharesh divoonatam
To to nemidooni ke joonami
Bargard pisham

I'm so lonely broken angel
I'm so lonely, listen to my heart

One and only broken angel
Come and save me, before I fall apart

Lala lejli Lala lejli lalala lala
Lala lejli Lala lejli lalala lala

I'm so lonely broken angel
I'm so lonely, listen to my heart

One and only broken angel
Come and save me, before I fall apart

I'm so lonely broken angel
I'm so lonely, listen to my heart

One and only broken angel
Come and save me, before I fall apart

Lala lejli Lala lejli lalala lala
