

Glorious

Arash

People are you ready for it?
Tell me are you ready for it?
Put your hands up in the sky, sky,
Would you like to be a winner?
Then it's time for you to show it!
Put your hand up in the sky, in the sky!

Come on, now!
We gonna celebrate tonight!
Together we gonna celebrate tonight,
We're glorious!
We're never gonna stop, so glorious!
We gonna party till we drop!

People are you ready for it?
Tell me are you ready for it?
Put your hands up in the sky, sky,
No, no, no limit,

Feel the rush, we are winning,
Put your hand up in the sky, in the sky!

Come on, now!
We gonna celebrate tonight!
Together we gonna celebrate tonight,
We're glorious!
We're never gonna stop, so glorious!
We gonna party till we drop!

Tell me are you ready for it?
