

## Suddenly

Arash

Suddenly I'm flying, flying high in the sky  
I can feel that I can catch the moon  
The wind Whispers you're gonna be here soon

Eshghe man, to hamooni ke age baa man bemooni  
To mitooni, to mitooni, mano be aarezoom beresooni  
Ey ghorboone khandidanet, ghorboone raghsidanet  
Na mesle to peyda nemishe, na na na na be khodaa nemishe!

Suddenly I'm flying, flying high in the sky  
I can feel that I can catch the moon  
The wind Whispers you're gonna be here soon  
Suddenly I'm dreaming, I'm walking under the sun  
As the morning comes and I wake up  
You are with me and the sun is up

Mitarsam een dastaat ye kaari bede be dastam!  
Ey eshghe man joonam fadaat, bezaar bemoonam baahaat  
Ghorboone range laabaat, beri babaa mimiram baraat!  
Az daste man hey dar naro, hey hey invaro oonvar naro  
Baba divoone misham naro, na na na na az pisham naro!

Suddenly I'm flying, flying high in the sky  
I can feel that I can catch the moon  
The wind Whispers you're gonna be here soon  
Suddenly I'm dreaming, I'm walking under the sun  
As the morning comes and I wake up  
You are with me and the sun is up
