

## Brazil

Arcade Fire

Brazil, where hearts were entertaining June  
We stood beneath an amber moon  
And softly whispered, "Someday soon"  
We kissed and clung together

Then - tomorrow was another day  
The morning found us miles away  
With still a million things to say  
And now, the twilight moves the skies above  
Recalling thrills of our love  
There's one thing I'm certain of  
Return, I will, to old Brazil
