

# Crown of Love

Arcade Fire

1. They say it fades if you let it  
love was made to forget it  
I carved your name across my eyelids  
You pray for rain I pray for blindness

R: If you still want me, please forgive me  
The crown of love has fallen from me  
If you still want me, please forgive me  
Because the spark is not within me

I snuffed it out before my mom walked in my bedroom

2. The only thing that you keep changin'  
Is your name, my love keeps growin'  
Still the same, just like a cancer  
And you won't give me a straight answer

R: If you still want me, please forgive me  
The crown of love has fallen from me  
If you still want me please forgive me  
Because your hands are not upon me.

I shrugged them off before my mom walked in my bedroom

3. The pains of love, and they keep growin'  
In my heart there's flowers growin'  
On the grave of our old love  
Since you gave me a straight answer

R: If you still want me, please forgive me  
The crown of love is not upon me  
If you still want me, please forgive me  
Cause this crown is not within me  
It's not within me, it's not within me

\*: You gotta be the one, you gotta be the way  
Your name is the only word that I can say  
You gotta be the one, you gotta be the way  
Your name is the only word, the only word that I can say!  
The only word that I can say!
