Said your name, in an empty room Said your name, in an empty room Something I would never do

Said your name, in an empty room Said your name, in an empty room Something I would never do

I'm alone again

When I'm by myself I can be myself And my life is coming But I don't know when

You were burning out, you're black and gray You were burning out, you're black and gray Something I would never say

I'm alone again

When I'm by myself I can be myself And my life is coming But I don't know when

Toute ma vie, est avec toi Toute ma vie, est avec toi Moi j'attends, toi tu pars

Toute ma vie, est avec toi Toute ma vie, est avec toi Moi j'attends, toi tu pars
