

# I'm Sleeping in a Submarine

Arcade Fire

She's gone to sea  
She's fightin' for me  
What bravery!

I'm sleeping in a battle ship  
I'm sleeping in a submarine  
I'm sleeping in a fighter plane  
I'm sleeping going down the drain

All hands on deck!

The radio adresss  
What a mess!

A cage is a cage  
Is a cage, is a cage!
