

In the Backseat

Arcade Fire

I like the peace
In the backseat
I don't have to drive
I don't have to speak
I can watch the country side
And I can fall asleep

My family tree's
loosing all it's leaves
Crashing towards the driver's seat
The lightning bolt made enough heat
To melt the street beneath your feet

Alice died
In the night
I've been learning to drive
My whole life
I've been learning

I like the peace
In the backseat
I don't have to drive
I don't have to speak
I can watch the country side

Alice died
In the night
I've been learning to drive
My whole life
I've been learning Oh ooooooooooh

My Whole life
