

Ready to Start

Arcade Fire

If the businessmen drink my blood
Like the kids in art school said they would
Then I guess I'll just begin again
You say, "can we still be friends? "

If I was scared... I would
And if I was bored... you know I would
And if I was yours... but I'm not

All the kids have always known
That the emperor wears no clothes
But they bow down to him anyway
'Cause it's better than being alone

If I was scared... I would
And if I was bored... you know I would
And if I was yours... but I'm not

Now you're knocking at my door
Saying please come out with us tonight
But I would rather be alone
Than pretend I feel alright

If the businessmen drink my blood
Like the kids in art school said they would
Then I guess I'll just begin again
You say, "can we still be friends? "

If I was scared... I would
And if I was pure... you know I would
And if I was yours... but I'm not

Now I'm ready to start

If I was scared... I would
And if I was pure... you know I would
And if I was yours... but I'm not

Now I'm ready to start

Now I'm ready to start
I would rather be wrong
Than live in the shadows of your song
My mind is open wide
And now I'm ready to start

Now I'm ready to start
My mind is open wide
And now I'm ready to start
You're not sure
You open the door
And step out into the dark

Now I'm ready
