

## Goodbye Is Forever

Arcadia

Sometimes you have no choice  
Sometimes you've got no voice to say  
Say if you will the words  
Say if your world is so gray  
We can decide this  
There'll be no tears  
No tragedy  
Sure I wouldn't break and cry, if...  
You walk away  
Believe me

Hey, goodbye  
Goodbye is forever  
Hey, forever  
Goodbye is forever  
And ever...

Sometimes it makes no sense,  
This side of cruel coincidence  
Caught up in our own barbed wire  
To set us free  
Believe this

Hey, goodbye  
Goodbye is forever  
Hey, forever  
Goodbye is forever  
And ever...
