

# Dehumanization

Arch Enemy

This is the age of dehumanization  
Perverted creation  
Damned, misled children  
You never stood a chance  
Resurrection a dead messiah  
For a paralysed race  
Damned, misled children  
You never stood a chance

Infected  
Neglected  
The new breed of a generation to come  
Rejected  
Illfated  
The new breed - a generation to kill

Sowing the seed of suffering  
Upon these fertile hearts  
Damned, misled children  
You never stood a chance  
Chosen to be slaughtered  
By the masters of manipulation  
Damned, misled children  
You never stood a chance

Infected  
Neglected  
The new breed of a generation to come  
Rejected  
Illfated  
The new breed  
Parasites  
A generation to kill
