Nemesis

Arch Enemy

We walk this earth
With fire in our hands
Eye for an eye
We are nemesis

We are with you Countless vicious souls Fight, fighting for freedom United, we stand, we stand

We are a legion Voice of anarchy This is revolution Creating new disorder

We are enemy
Opponent of the system
Crushing hypocrisy
Slaying the philistine

One for all, all for one We are strong, we are one One for all, all for one We are one nemesis

A malicious fever burns In our heart, in our veins Your blood, my blood Our blood runs the same

One for all, all for one We are strong, we are one One for all, all for one We are one nemesis

One for all, all for one We are strong, we are one One for all, all for one We are one nemesis
