## **Vengeance Is Mine**

## **Arch Enemy**

Infestation Of spirit and flesh Indignation Is all you left me with Domination Your ultimate goal Transmigration You will lose control I will rise up and prove you wrong I've been waiting in the shadows for too long The gates are opening - My true self unleashed Laceration Of my mind and soul Alteration Your truth is full of lies Liberation Sweet revenge is mine Devastation You will burn in my hell I will rise up and prove you wrong I've been waiting in the shadows for too long The gates are opening - My true self unleashed Vengeance is mine! The gates are opening - My true self unleashed
