

Breathing life into these mares where enemies turn into flesh  
This is the abyss I fear the most  
I feel their eyes staring at me

Waiting with carnivorous patience  
Their memory timeless  
For all they know I must succumb sometime...

A solemn cry rises to the sky as heavy wings blacken out  
The morning sun with infinite darkness.  
Am I dreaming or am I dead?

Waiting with carnivorous patience  
Their memory timeless  
For all they know I must succumb sometime...

In search for my heart  
Lost in this hell  
The vultures are soaring above  
Tearing me apart

Screaming Voices in my head.  
A sudden pain then deadly silence  
Devouring the remains of my heart  
I can feel it dying

Waiting with carnivorous patience  
Their memory timeless  
For all they know I must succumb sometime...

In search for my heart  
Lost in this hell  
The vultures are soaring above  
Tearing me apart

Picking at the bones of my soul  
Left me dead inside  
The more I gave the more they took  
Left me dead inside

In search for my heart  
Forever Lost in this hell  
The vultures are soaring above  
Tearing me apart
