

## Dawn Of The Black Light

Archgoat

Chosen to hear. His mark on my Soul  
Blackened and strong, scorched by the Flame  
That burns deep in my Soul Venomous God  
I shall carry Your Black Light forward

Destruction and rebirth, I am Enlightened  
In the Darkness of your Shadow I see Light  
Night and Darkness, Blood and Carnality  
Esoteric knowledge of the Forbidden Arts

The Majestic Nightspirit  
Bring us the Light of Dawn  
That rises from the limitless depths
