

## Imaginary Ordinary

### Architecture in Helsinki

We're in a restless way, when the fireflies come  
And they light the light, where there once was none  
I won't think about next week, I won't think until tomorrow  
Just a sight for sore eyes disguised as a fly

And not a single soul in these woods ever saw a jaw drop so low  
as is mine at the moment  
And not a single soul in these woods ever saw a jaw drop so low  
as is mine at the moment

Imaginary Ordinary, it's you that I belong with  
Imaginary Ordinary, it's you that I belong with  
Imaginary Ordinary, it's you that I belong with  
Imaginary Ordinary, it's you that I belong with
