Here we go, turn it up
Come in the water
Send me under
Send me under
Send me under
Send me under

I put the rapture
Sing together
Send me under
Send me under
Send me under
Send me under

Leave together
Free forever
Send me under
Send me under
Send me under
Send me under
Send me under
Send me under
Send me under
Send me under
Send me under
HA !
Leave the water
Leave the water
