God dog  
Sunday no funday  
Holy joke  
Go away  
No fun  
None whatsoever  
Ya sister is sinking

I know I believe  
I believe  
I believe  
That it`s beautiful

I know I believe  
Yeah I think I  
Believe that  
It`s wonderful

I know if I leave  
My belief  
Then I leave what`s incredible

It`s gonna take a better man  
To get me out of this sham

If it stays like this  
You`re a failure  
If you keep it up  
You`re a failure

Because we want  
What you`re supposed to give us  
You`re a failure

We want what we`re supposed to have  
You`re a failure

No fun whatsoever  
No fun whatsoever  
No fun
