

## Day That You Go

Archive

Day that you go  
Colours in view  
Colours of you  
Frozen in time  
Thinking of you  
Wish the pain out of you

Day that you go  
Day that you go  
Day that you go  
Day that you go  
From me  
Day that you go  
From me

Watching you now  
The air that you breathe  
Is carrying me

Day that you go  
Day that you go  
Day that you go  
Day that you go  
From me  
Day that you go  
From me
