

Feel It

Archive

Pain isn't whole
A hole in the light
Can't be broken
Split it alive
So live for the time
Feel it
Feel it

No vacuous souls
Souls in the light
Emotions igniting
Can't put out the fire
Feel it
Feel it
Feel it

A hole in the light
Keep it alive
Break in your mind
Feel it
Feel it
Feel it
Feel it
Feel it
