

Soul Tired

Cut me up and lead me down
Swing my head in a bag all around
Crush me down with pills for death
You drain away my head
Drain away my head
Drain away my head
Drain away my head
Drain away my head

You pull the slide for me to see
So sad, so sad, so sad I'm happy
With me
With me
With me
With me
With me
With me
You chuck me out and let me slide
Step on my bones 'til you feel alright
Leave me hangin on a thread
You drain away my head
Drain away my head
Drain away my head
Drain away my head
Drain away my head

You pull the skin from off of me
So sad, so sad, so sad I'm happy
With me
With me
With me
With me
With me
With me

Don't pin me to the wall
I'm soul tired, soul tired
Don't pin me to the wall
I'm soul tired, soul tired

Don't pin me to the wall
I'm soul tired, soul tired
Don't pin me to the wall
I'm soul tired, soul tired

You close me up and drain my soul
For all this pain my body buckles
There's nothing left for you to break
You've drained away my head
Drained away my head

Don't pin me to the wall
I'm soul tired, soul tired
Don't pin me to the wall
I'm soul tired, soul tired

Don't pin me to the wall

I'm soul tired, soul tired
Don't pin me to the wall
I'm soul tired, soul tired

Don't pin me to the wall
I'm soul tired, soul tired
Don't pin me to the wall
I'm soul tired, soul tired

Don't pin me to the wall
I'm soul tired, soul tired
Don't pin me to the wall
I'm soul tired, soul tired

Don't pin me to the wall
I'm soul tired, soul tired
Don't pin me to the wall
I'm soul tired, soul tired
