

Get close dear
Comfort fear
All come near this is your world
All please call
Let all fall
Heels over heads will roll will roll will roll
All think clear
Face your fear
All touch on
Push freedom
Get tribal
No denial
Like a tidal rolling rolling rolling rolling
Keep searching a pressing
You can win take it over it all
Keep chasing exploration
Imagination everything will toll will toll will toll will roll
Last nail in
Last nail in no removal its final stay tribal
Last nail in no removal its final stay tribal
